

Dear Parents/Players:

It is that time of year again! We look forward to another successful season of Cathedral Hockey and that starts this summer. The following is a waiver form for summer hockey this year and attached is a schedule with our ice times this summer. Essentially it is the same as every other year Tuesday and Wednesdays late at night. We had a very successful season this past winter, but that is all in the past, now we look forward to defending our Section Championship and taking our State Tournament experience a couple steps farther and coming back next winter as 2009 State Champions. Cost of the program this summer is \$150 (make checks payable to Eric Johnson) per player and there will be a summer tournament in Duluth (July 18-20) that will cost an additional \$30 per player. It is a "varsity" tournament and I will be talking with players to see who will be able to make it and who will not. I will be taking a maximum of 25 players to Duluth and those players will be notified ASAP. As always I will start with the returning players first and then work my way through to the younger players if we need to fill spots. There may be an additional opportunity to play in tournament in Alexandria the weekend before. The cost per player for the Alexandria Tournament will be determined later if there are still openings.

Please complete the following waiver and return with payment in full to Eric Johnson by May 21st.

I/we _____ will not hold Eric Johnson or any of his affiliates liable for any injury resulting from summer hockey training.
